## Advanced Level Classes – 2025 / 2026

Thank you for your interest in the Academy of Christian Arts advanced level classes. Advanced level classes are broken up into levels and the competitive track is broken up into teams. Auditions are open to all dancers ages 8 and older. The dancers will be placed at discretion of the director & teachers. Co-enrollment in another technique class per week is required of all Advanced Placement dancers. For some of our oldest Advanced dancers (graduated), co-enrollment in another technique class may or may not be required. This requirement will be based on the audition.

Advanced level classes have been put into place to have a dance class that pushes dancers at a faster pace. These classes are for our dancers that are looking for a challenge. We will place dancers that are interested and ready (director's discretion) in attending competition on teams. Please see requirements below for both Advanced Placement (only) & Advanced Placement Teams below.

If you are familiar with our program, you will notice that we have split our Advanced Placement Program into two tracks this year. The tracks are called Advanced Placement & Advanced Placement Teams. The difference in the two tracks is mostly competition & community performances. Advanced Placement will take an Advanced Technique Class & an additional Technique Class. Advanced Placement Teams will take an Advanced Placement Technique Class & a Team Class. Teams will be required to compete and participate in community performances (Christmas Musical for example).
